1. Review and approve previous meeting minutes.
 - a. Reviewed April Meeting minutes and approved with one change. "Power pole" should be "street lamp pole".

2. Treasurer's Report
 - a. No report as we have not received anything from the management company. Becky will contact them and request reports for the next meeting.

3. Board Business and Projects
 - a. JoLynn is back to serve on the board when she is not traveling.
 - b. Discussed requesting that the management company get estimates for finishing the entry area where the rock is. Lance believes we do have electricity on that side so that it could be lighted. Agreed that we would like to see low maintenance landscaping and lighting. Becky will request bids.
